

## AST-8 Sorting Table

Simple & Effective Business Solutions

The Asset AST-8 Sorting Table is designed to reduce the number of operators required to load and pack on to an automatic line. Containers can be randomly placed on the Asset unscrambling table where they are automatically fed to the conveyor for filling, capping or labelling.

Products - Suitable for food & pharmaceutical use

Output - Variable speed control

Containers - Designed for handling round, stable or plastic containers

Dimensions - Table top - 1.2m diameter, 900mm height (Adjustable)

Cleaning- Quick & simple tear-down without the requirement for tools

Maintenance- Machinery faults maintained by Packserv free of charge.

Origin- The Asset AST-8 is a high quality Australian made product.

Configuration- Mounted on lockable castors, & fitted with levelling jacks.

Industries - Pharmaceutical, Food, Cosmetics, Personal Care, Home Care, Automotive and Industrial.

Requirements- Standard 240v electric
