

## CP-SAL-P Pad Labeller

Simple & Effective Business Solutions

The Compact CP-SAL-P Pad Labeller is a robust, portable semi-automatic labelling machine. Designed to apply one or two labels to flat surfaces. This solution delivers high quality, professional results with low skill operation & maintenance free productivity.

Products - Suitable for flat containers, jar tops, cards, bags, square & oval shaped containers. The CP-SAL-P applies labels from 10mm to 180mm high & 20mm to 230mm wide.

Output- 10 to 20 units per minute.

Labels- Applies front & back labels in a short two stop process, over & spot labelling, suitable for clear & opaque labels.

Cleaning- Quick & simple to set up and adjust

Maintenance- Labeller faults & breakdowns are maintained by Packserv free of charge.

Origin- The CP-SAL-P is a high quality Australian owned labelling machine.

Configuration- Semi-Automatic.

Industries - Pharmaceutical, Food, Cosmetics, Personal Care, Home Care, Automotive and Industrial.

Requirements- Requires Air Compressor & Standard 240v
